people cityscene

Photography by PWP Studio

More than 350 industry professionals gathered in New York in October at the Williamsburg Hotel in Brooklyn, New York for Hospitality Design's CitySCENE: Next Generation Networking event. A special thanks to our sponsors: Delta, Durkan, Fabric Innovations, Furniture Design Studios, Global Allies, Kravet Contract, Lusive, Provado, RH Contract, Royal Thai, Stonepeak, Tarkett, Transceramica, and Williams-Sonoma Contract.

With weighted, unattached backs that can be adjusted or moved anywhere on or off the base, **Aceray's** Spazio comes in 11 different sized solid wood bases that rest on chrome-plated steel legs. ACERAY.COM

2

HBF's MOD Lounge collection of sofas, settees, lounge chairs, benches, and ottomans, features metal legs designed to join with various seating parts, while its modular components allow for a wide range of configurations. HBF.COM

3

Jamie Stern Furniture partnered with Dutch East Design on the Float collection, with legs that express the negative space between the piece and the ground. Each style can be upholstered in the company's leather or the buyer's own material. JAMIESTERNDESIGN.COM
